

## Wilma, Utilizing more Unused Space

**Take an old wooden valance that I made 30 years ago and removed from another window about 10 years ago. You clean it up and paint it Wilma favorite green.**

**Then mount it above the window but backward.**

**And this Unused Space stores 46+ skeins of yarn! Just use a reacher for easy access.  
Yes, One Day I will Have Wilma Organized. Malcolm, 8-4-2014**
